SHORT NOTICE QUESTION AND ANSWER

FINAL EXAMINATIONS FOR THE DEGREE COURSES OF THE MYSORE UNIVERSITY.

Q.—36. Sri V. SRINIVASA SHETTY (Coondapur).—

Will the Government be pleased to state:—

(a) when were the results of the Final Examination for the Degree Courses were published by the Mysore University;

(b) when the marks of the successful candidates were communicated to the Colleges in South Kanara;

(c) when did the admission to the M.A., M.Sc., M.Com., etc., Courses commence and when was it closed in the Mysore University?

A.—Sri ANNARAO GANAMUKHI (Minister for Education).—

(a) 3rd July 1961 except in the case of some students appearing for the B.Sc. (Three-Year Degree) final Examination whose results were declared on 15th July 1961 in unavoidable circumstances.

(b) The Marks Cards were sent to the Colleges on 6th July 1961.

(c) In the case of the First Year Courses the admissions commenced immediately after declaration of the results of the Degree Examinations, i.e., from 3rd July 1961. In the case of the Second Year, the Courses commenced on 26th June 1961.

The last date for admission was 12th July 1961 without penal fee and 31st July 1961 with penal fee.

Sri V. SRINIVASA SHETTY.—In answer to (b) it is said that the Marks Cards were sent to the Colleges on 6th July 1961. Do the Government know when the Marks Cards actually reached the Colleges in South Kanara?

†Sri ANNARAO GANAMUKHI.—That information is not with us. The Marks Cards have been despatched on the 6th July; they might have been received within 2 or 3 days.

Sri V. SRINIVASA SHETTY.—For more than two weeks there was no communication between Mysore and South Kanara and even buses were not plying to South Kanara during that period. Are the Government aware of that?

Sri ANNARAO GANAMUKHI.—We are not aware.

Sri V. SRINIVASA SHETTY.—The Marks Cards were despatched to South Kanara on 6th of July. The admission to the classes began in Mysore City on 3rd July 1961. Do they not expect the students from other districts, for example South Kanara and other Districts laying out of the way to get themselves admitted to the Colleges by 3rd July?

Sri ANNARAO GANAMUKHI.—Particularly this year, examinations were held late and so it took some time to announce the results. Hence the delay.

Sri V. SRINIVASA SHETTY.—Even three days before the Marks Cards were despatched, the students had to get themselves admitted to the Colleges on the 3rd. How do they expect the students to get themselves admitted to these classes?

Sri ANNARAO GANAMUKHI.—The extended date is 31st July. Therefore, that question does not arise.

Sri V. SRINIVASA SHETTY.—31st July applies to second Year or First Year?

Sri ANNARAO GANAMUKHI.—First Year.

Sri V. SRINIVASA SHETTY.—Does the Minister mean to say that there were vacancies of seats till 31st July for admission?

Sri ANNARAO GANAMUKHI.—We have no information. If the University had already selected some of the students who had actually applied, then some injustice might have caused to the students who applied late. That position I can understand, but I have no information on that point.

Sri V. SRINIVASA SHETTY.—Does not the Government feel that there was no opportunity to any student from outside to go and apply for admission since admission would have been closed in one or two days?

Sri ANNARAO GANAMUKHI.—Admissions cannot be closed because the date for admission was postponed and after 31st July, they can select the students for admission.

Sri V. SRINIVASA SHETTY.—May I know how many students from South Kanara are admitted?

Sri ANNARAO GANAMUKHI.—That information is not with me.

Sri J. B. MALLARADHYA.—Has it come to the notice of the Government that in respect of candidates drawn from South Canara who should have been admitted in the normal course to the M.A., and M.Sc., admission was denied because the University delayed in declaring the results and communicating the results to the students?

Sri ANNARAO GANAMUKHI.—Even admitting that communication was sent on 6th and 3 days would take to reach the boys, the date was extended upto 31st July. They could have applied within that date.

Sri J. B. MALLARADHYA.—You have given in the answer that the last date for admission is 12th and it was extended till 31st. But the date on which the application should have been filed did not alter. Because the results reached the colleges concerned late and because the students came to know of the results late because of the floods etc., the last date for application was not revised.

Sri ANNARAO GANAMUKHI.—The last date for admission was 12th July without penal fee and 31st July with penal fee.

Sri J. B. MALLARADHYA.—The date fixed for the last day of application for admission was not changed; that is my point.

(No Answer)

Sri V. SRINIVASA SHETTY.—Sir, the results were declared on 15th July and the last date for admission is 12th July. How does the Minister expect the students to apply for admission on that date?

Sri ANNARAO GANAMUKHI.—The date was extended till 31st. The only question that can be asked is, how we can charge the penal fee. For about 58 boys the results were announced late because one of the examiners fell ill and there was some delay in his sending the marks.

Sri V. SRINIVASA SHETTY.—Under these circumstances how do you expect the students to apply?

Sri ANNARAO GANAMUKHI.—There is no complaint whatsoever about these students that they did not get the marks cards in time.
